

EXCEL

as a community of
learning by supporting
everyone

To: Bill Flanagan, President and Vice-
Chancellor
University of Alberta

The University's vision statement, *For the Public Good*, includes the goal that we will “**excel** as individuals, and together sustain a culture that fosters and champions distinction and distinctiveness in teaching, learning, research, and service.”

ATS members are delighted that the university as a whole is embracing the role they play alongside their colleagues and students.

Help champion distinction and distinctiveness in teaching by improving the job security and working conditions of ATS members.
